## Winter on the Summer Road

Dear Silver Shekel Property Owner,

Some of you are already aware that the Summer Road is not passable because of snowplow banks at the bottom and top of the hill. Also, there is no deceleration lane coming from Breckenridge, and with the blind entrance and slick road conditions, accidents can happen. Even if a vehicle makes it across the lower bank, the upper one is even bigger.

**Please do not try to use the road this winter.** SSOA will not be maintaining until summer. **If you have guests or renters, please tell them too.** Google and Apple maps may send them that way,

Sincerely,

Silver Shekel Owners Association  
Board of Directors
