2025 Silver Shekel Owners Survey-More Information

Dear Silver Shekel Property Owners,

In our last message we mentioned that Clean-up Day was becoming more and more expensive. The price of the roll-off dumpsters had gone up a lot and we should have stated how much. In 2021, the cost for three dumpsters was \$1,650. In 2024, it was \$3,220, so it has nearly doubled. Our total budget is about \$10,000 so it is a significant percentage.

This should help clarify our concern and the reason we are asking for feedback from you.

Thank you!

Sincerely,

Silver Shekel Board of Directors
