## 2025 Silver Shekel Owners Association Survey

Dear Silver Shekel Residents,

To guide our Association activities for the coming year, we have prepared a survey to get feedback from you on three topics:

- Clean-up Day is becoming more and more expensive and the types of items being discarded into the landfill could, in many cases, be either recycled or re-purposed. We have some ideas about the program and need your opinions.
- Social Programs can promote a greater sense of community among our residents and there are some ideas on these in the survey.
- We would like to better understand the profile of property ownership in Silver Shekel and we have included a few questions in the survey about that.

Please [click here](#) to access the survey. To protect your privacy, the survey is anonymous...emails addresses are not collected. **Please complete the survey by next Sunday, January 19.**

Thank you!

Sincerely,

Silver Shekel Board of Directors
